For the third year, Ukraine has been courageously fighting against Russian aggression. Our soldiers are strong and resilient, but the support we receive is insufficient. We are in regular contact with more than six brigades and are working to address the urgent needs of the military. **Good equipment saves the lives of Ukrainians!**

In 2024, many cities in Ukraine, including Zaporizhia, Kharkiv, Kryvyi Rih, Kherson, Tsarichanka, Sumy, Odesa, Mykolaiv, Dnipro, Kramatorsk, Komyshevakha, Gulyaipole, Kostyantynivka, Lviv, Poltava, Chasiv Yar, Izmailovka, Brovary, and Nikopol, have been subjected to missile attacks. **We will provide aid to the families affected by the shelling, which number in the tens of thousands and continue to grow every day.**

In 2024, Ukraine has become a symbol of an indomitable struggle worldwide.
